Petnet now available  
on Android™

After enduring pouty puppy eyes and cranky kitten glares from our non-iOS pets, we're happy to announce that Petnet is now available on Android!

That little green robot will be a welcome addition for meow moms and dog dads who've been wanting to personalize how their pets are fed. To them, we say welcome to the Petnet family, and happy feeding!

## Our Classic Cuisine, Brand New Presentation

As a family-owned business for 28 years, we're always looking to add new ingredients to our kitchen and spice up our recipes. And last week we served up a dish that we're particularly excited about: our brand new website!

Take a taste of it [here](#).

## What are you planning?

By starting with the most important question, you can easily find the information you're looking for. This simple inquiry quickly connects you with the info you need to start planning your event right away.

## A feast for your eyes.

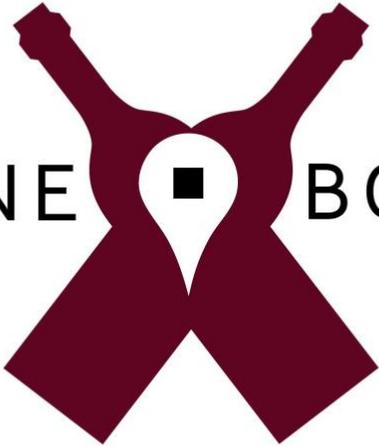

We know that great food deserves great presentation, so we hope you'll flip through our photos, gather ideas, and tantalize your palate with some tasty visual treats.

## Make it great with 28!

We invite you to help us toast our new website and 28<sup>th</sup> year dishing up exquisite cuisine: book your event within the next 28 days and save 5%.

\*Be sure to mention promo code "Celebrate 28" and you'll party with stylish savings.

### **Make It Bold: Enhance Your Wine-Book Experience.**

It's your weekend routine. You pick up that bottle of red. You open it and let it aerate. Optimize its flavor. And now it's time to optimize and aerate your storefront page exposure!

These few simple steps will ensure that you get the most out of your Wine-Book membership.

**Let's see those great photos**

- Using crisp, beautiful images will give customers a true taste of your ambience
- Got any secret behind-the-scenes pics? Show 'em off!

**Keep your profile current**

- Make sure your menu reflects any seasonal/ specialty items
- Update your page with your promotions, tastings, and events

**Follow the local action**

- Keep an eye on food or wine-related functions happening in the community
- Check out what customers are saying about your competition, and about you

Most importantly, before you polish off that plush Cabernet, be sure to subscribe to The Grapevine, Wine-Book's email newsletter, for the latest newsworthy wine-industry tidbits!
