Hello _____,

Here at Wine-Book, we're all about connections. We bring friends together to enjoy quality wine, at great venues, to create lasting memories.

So what's in it for you? The opportunity to create those connections by letting wine lovers easily discover the next great place to uncork a new adventure. When you launch your Wine-Book storefront page, you're tapping into a whole new barrel of clientele.

1) Hassle-free set up.

It's easier than pouring that first glass of merlot. We've pre-populated your profile; all you need to do is confirm your page details, add never-before-seen photos, include exclusive Wine-Book events, and you're done!

2) Expand your network of consumers.

Much like you've harvested those bunches of grapes, we'll help grow your digital vineyard. Heightened online visibility means reaching more customers, and more customers means swirling sales for your business.

3) Cultivate new relationships.

It's a scientific fact: wine tastes better when enjoyed with friends. A sense of community develops each time you pour a glass.

Customize your Wine-Book page in just a few simple steps!
