

MEET YOUR SMARTBOWL

The Petnet SmartBowl is much more than a fancy-looking dish. It's personalized pet care - meals tailored specifically to your pet's age, weight and activity level.

By matching your pet with ideal food recipes, controlling food portions and tracking daily caloric intake – the SmartBowl prevents overfeeding and lets you rest easy knowing that your pet's eating the right amount of the right food.

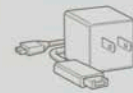

Inside the box you'll find:

Bowl

Stainless Steel
Bowl Insert

USB Cable &
A/C Adapter

MEET YOUR SMARTFEEDER

The Petnet SmartFeeder is more than an automated pet food dispenser - it's your guide to optimal pet health.

Since every pet is different, the SmartFeeder creates customized feedings tailored to your pet's age, weight and activity level. In addition to recommending ideal food recipes and portion sizes, the SmartFeeder also monitors daily calorie intake and prevents overfeeding. With zero guesswork and individually personalized feedings, the SmartFeeder means peace of mind, happy owners and healthy pets.

Inside the box you'll find:

Feeder Base

Food Hopper

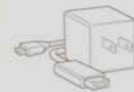

Hopper Lid
